Oct 2016

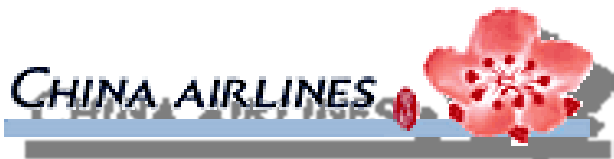

- Perfect MarCom Inc(PMC) is an innovative and creative content services company, founded in 2006 in Taipei, Taiwan.
- PMC specializes with passion and profession in various service functions, such as content sales and acquisition, marketing, and distribution.
- PMC also provides consulting services to assist doing theatrical release, in-flight entertainment service, digital channel setup/launch and others

## Four major business sections:

- A. In Flight content acquisition
- B. Public Screening content acquisition
- C. Theatrical/Video content acquisition
- D. New Media content aggregation

# In Flight

PMC markets brilliant programs, including all kinds of feature films, short films, documentaries, animations, science and technology, stage and arts, travelogue and variety shows to various airlines around the world.

# Public Screening

PMC releases specific topic, valuable programs to work with campus, educational and institutional content distributors in Taiwan and China for years. Especially, PMC delivers documentaries on S.T.E.M categories. Nowadays, PMC expands its customer base from post secondary to middle and elementary schools by collaborating with textbook publishers.

# New Media

For the booming new media trend and OTT model of content distribution, PMC plays as an active content aggregator in Taiwan/China and Canada. Founded on various new media platforms' requests, PMC has provided hundreds titles of feature films to platforms operated in Taiwan and North America. and released Hollywood library contents as a SVOD package in Taiwan since 2015.

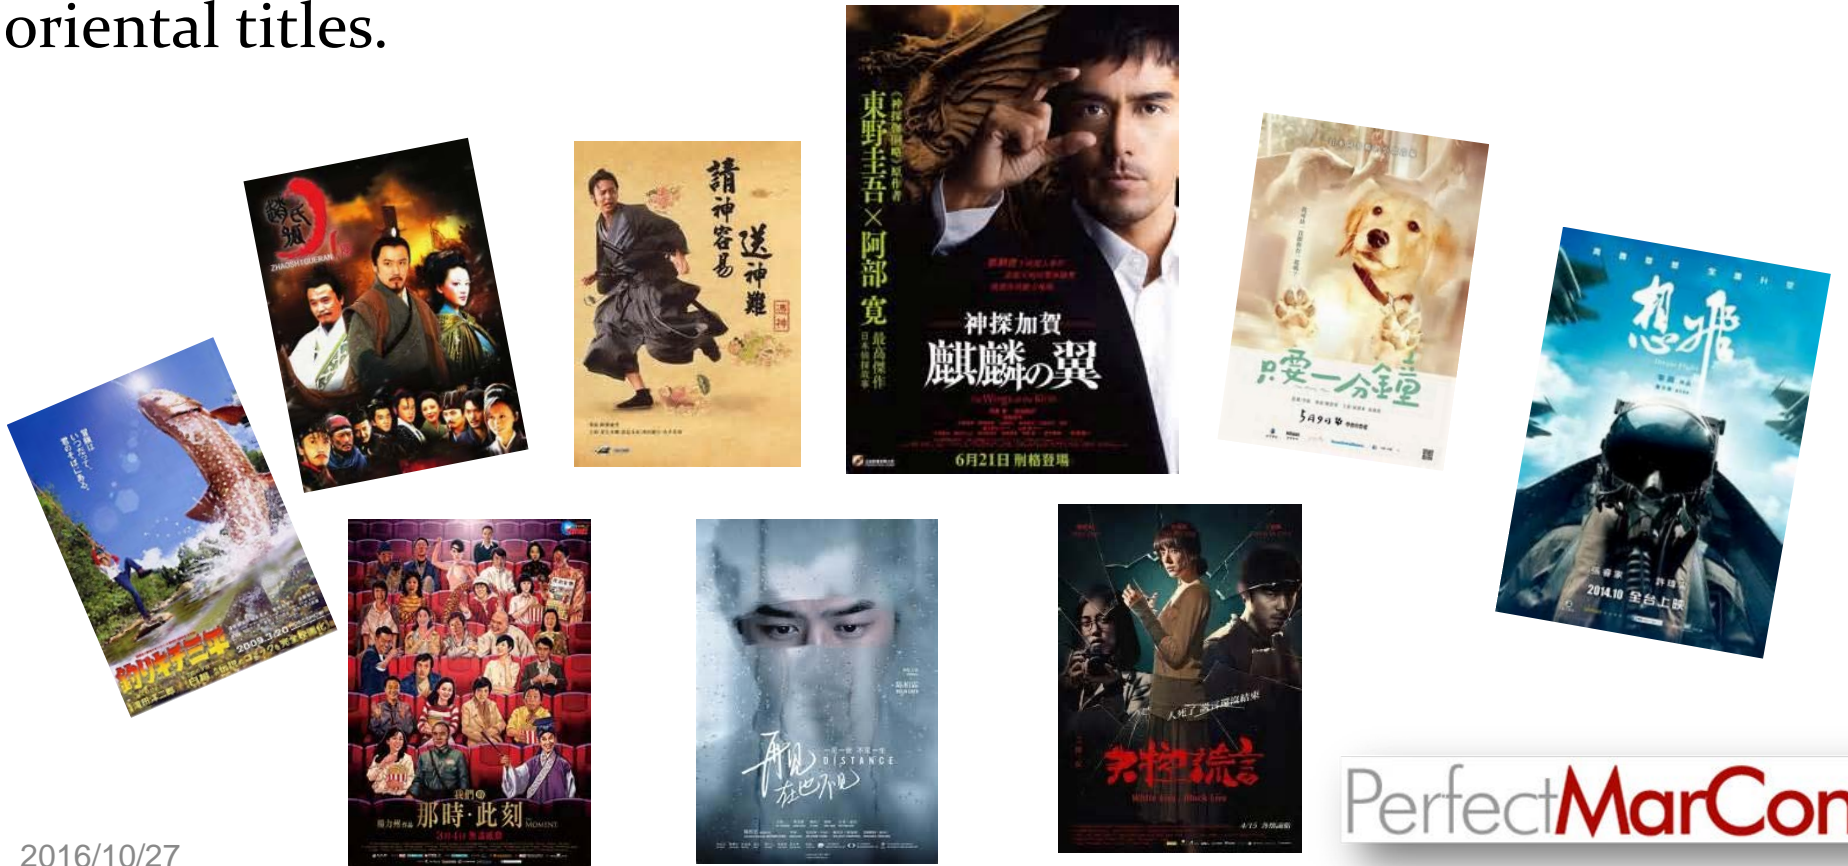

PMC also proposed and assisted a production house setting up TWO digital channels and launched in early Jan. 2015 in Taiwan.

PerfectMarCom

# Cinematic/Video Distribution

PMC eyes on specific topic contents, which bring up discussion, introspection or some other small budget, beautiful and family oriental titles.
